Please join the Golden Meadow and Grand Isle United Methodist Churches by participating in an old fashioned fishing rodeo in Grand Isle, October 4 & 5, 2013.

Portions of the proceeds will benefit the capital building campaign for a NEW Home for the Methodist Home for Children of Greater New Orleans and local church programs. Your participation and donations will help youth across the state of Louisiana through residential and community-based ministries that positively impact the lives of children and families.

Come and enjoy Louisiana's only inhabited barrier island, during the fall when fishing is at its best. Fish are plentiful, in easy to access places, so a boat is not necessary. Local fishing guides are available for serious anglers looking for a trophy fish. Local accommodations are plentiful and the beach is ready for visitors. Team fishing is encouraged to share in the fun with a special award for best team spirit.

Fishing begins at sunrise both days, with weigh in 5pm Friday and noon on Saturday. All fish caught will be cooked for the Saturday lunch at 1pm and trophy awards will begin at 2pm.

We look forward, with support from our fishing friends, to a successful event that will support this important cause that touches many children and families in our state.

Set a date for good fishing, good fellowship and a good cause.
